FINANCE DEPARTMENT.

G.O.Ms.No.1111 dated 29-11-1948.

O R D E R:

In the Budget the expenditure relating to the Labour Department, [Inspector of Steam Boilers, Village Officers' Special tests, Examinations conducted by the Commissioner for Government Examinations, Provincial statistics, Administration of the Indian Partnership Act, 1932, the Fire Services and Miscellaneous items such as the Ceded Districts Economic Development Board and the Department of Women's Welfare is now exhibited under the major head, "47 Misc. Departments" and included under a single Demand "Miscellaneous Departments". It has been considered that this arrangement does not bring prominently to notice the transactions relating to the Labour Department which includes Harijan Uplift..

[Inspector of Factories

The opening of a separate major head for "Labour" (which requires the sanction of the Auditor General) without a separate demand for grant for it will ~~xx~~ not meet this objection adequately. On the other hand, the presentation of a separate demand for grant for all the items of expenditure relating to the Labour Department even without a separate major head for it will serve the purpose in view.

2. His Excellency the Governor accordingly directs that the expenditure relating to the following minor heads and sub-heads of account now included under the major head "47 Misc. Departments", be included in a separate demand for grant to be styled, "Labour including Factories and Harijan Uplift", with effect from the Budget for 1949-50

	F. Expenditure from the Fund for Village Reconstruction and Harijan Uplift (Madras)
	F. Reclamation of Kallars and Koravars.
	G. Criminal tribes settlements.
	H. Labour Supply Committees.
b. Inspector of Factories.	(Items relating to 'Labour' and 'Inspector of Factories', if any, should be shown under the relevant sub-heads of appropriations).
j. Charges in England.	

The expenditure under the other heads of account comprised under the major head "47 Miscellaneous Departments" will continue to be included under the demand "Miscellaneous Departments".

P. T.O.
